

## Bijout Oval Large

REFERENCE CT3263/18

### DESCRIPTION

As delicate as nature itself, the Bijout Collection is divided between romance and extravagance. The soft glass pieces are designed to contrast directly with the complex and detailed bronze structure, creating a perfect balance between light and movement, a dualism that presents endless possibilities of colours and sizes, guaranteeing refinement to any interior design concept. The extreme subtlety of the Bijout collection is ideal to make any dining table stand out, adapting to classic and modern interiors.

**Finish shown here** Metal CH | Glass 10+42

### Designed and produced by hand in Portugal.

Serip reserves the right to make changes or improvements at any time it deems useful to guarantee the highest quality standards for its products.

### Hand-finished, some variations may occur.

All the glass models are designed by Serip and exclusively handmade produced, establishing a unique and prestigious feature of the glass handwork art. For this reason, there is the possibility of variation in measures, weight, colour and shape represented.
