 BULBS: 18X G9 (MAX 28W) MATERIAL: BRASS & CRYSTAL

The Mondrian Collection

Piet Mondrian is recognized for the purity of his abstractions since he radically simplified the elements of his paintings to reflect his perception of the world as opposites and asymmetry. This painter's unique artwork inspired the designers to develop the Mondrian Collection. Composed of geometrical squared shapes and cascading crystals, this design itself is an interpretation of dynamism and elegance.
